DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents****OFFICE COMMUNICATION****Response To Amendment**

The reply filed on 8/3/2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

1. The response to the non-final office action of 5/3/2006, filed 8/3/2006 cannot be entered.
2. The claim amendments are not in compliance with 37 CFR 1.121(c), because amended claims 1, 6, 7, 9, and 10, do not correctly show the changes to the claim wording. For example, the terms cirrhosis and model are underlined, but were present in the original claims. Additionally, wording present in the original claims (e.g. animal and hepatic tissue) has been omitted, and not indicated as deleted text by strikethrough. Therefore, the claims as amended, do not correspond to the claims originally presented.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications regarding the formalities should be directed to Patent Analyst William Phillips, whose telephone number is (571) 272-0548.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Fereydoun G. Sajjadi whose telephone number is (571) 272-3311. The examiner can normally be reached Monday through Friday, between 7:00 am-4:00 pm EST. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dave T. Nguyen can be reached on (571) 272-0731. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

The faxing of such papers must conform with the notice published in the Official Gazette, 1096 OG 30 (November 15, 1989).

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).

For all other customer support, please call the USPTO Call Center (UCC) at (800) 786-9199.
